

## BEIJING DAXING INTERNATIONAL AIRPORT

1

### Daxing Airport

The Biggest Airport in the World

Beijing Daxing International Airport (PKX) is going to be the biggest airport in the world! The airport's design is pioneering while its location on Daxing District (the southern suburbs of Beijing) is ideal in order to serve the Chinese capital and the neighboring areas of Hebei and Tianjin.

The new mega-airport hub is expected to handle up to 45 million passengers per year by 2021 and 100 million eventually.
